Career Services Office

Date: June 28, 2024.

Industrial Visit Report

Introduction

On Wednesday, June 26, the Career Services Office organized an industrial visit for the 7th semester students of the Software Engineering Department to Systems Ltd. This initiative was aimed at providing students with practical insights into the professional world, enhancing their understanding of current market trends, and familiarizing them with the working environment of a leading IT company.

Objectives

The primary objectives of the visit were:

- To expose students to the real-world working environment of a leading software company.
- To provide insights into the latest market trends in the software industry.
- To bridge the gap between academic learning and industry requirements.
- To inspire and motivate students by showcasing potential career opportunities.

Details of the Visit

- Date: June 26
- Destination: Systems Ltd.
- Participants: 33 students from the 7th semester of the Software Engineering Department
- Departure Time: 10:30 AM
- Return Time: 1:00 PM

Itinerary

- Departure: The students, accompanied by faculty members departed from the university at 10:30 AM.
